

2018 Applications Now Being Accepted

Building a Better Central Oregon's main purpose is to recognize worthy nominees who have enhanced their community with outstanding new or renovated residential, commercial or industrial buildings.

Properties will be judged in the following categories:

- Local Economic Impact
- Neighborhood Improvement
- Community Improvement
- Unique Design
- Unique Use of Materials

2017 awardees include:

Hydro Flask Headquarters, Mid Oregon Credit Union-La Pine Branch, Old Masonic Lodge & Loft, Tykeson Hall - OSU Cascades, Redmond City Hall, Residence- 711 NW Georgia, The Bite, The Church-Lavabells Vacation Rentals and Worthy Brewing Company Addition.

Guidelines:

- 1.) Property must be in Deschutes, Jefferson, Crook or Harney counties.
- 2.) Must have been completed between 10/1/16 and 10/1/2018.
- 3.) Have significant impact on, or enhancement to the community through economic impact, neighborhood/community improvement, neighborhood/community beautification, unique design, unique use of materials.
- 4.) Can be new construction and/or renovation/restoration.
- 5.) Individuals and small corporations will be given priority over large corporation or government projects.
- 6.) After nomination the property will be reviewed and toured. Approximately 10 properties will be chosen in July.

Deadline April 2, 2018

Award Ceremony October 10, 2018

The award ceremony will take place October 10th. This event is attended by awardees, COAR members and the public. Those that nominated a project that meets all the criteria will received 2 tickets to the event. Each winner receives 4 tickets to the event. Our goal is to educate people on what Building a Better Central Oregon is all about, involve the community more in the nomination process and demonstrate to the public that REALTORS® and their members of COAR are out in the community recognizing such great projects.
