

## BUILDING A BETTER CENTRAL OREGON AWARDS PROJECTS ENHANCING OUR COMMUNITY

On Oct. 19, members of the Central Association of REALTORS® (COAR) and the community will gather to celebrate nine great projects from around the region during the 2017 Building a Better Central Oregon (BBCO) awards ceremony and reception. The BBCO acknowledges projects that have a significant aesthetic and economic impact in the community. Projects are judged on economic impact, neighborhood improvement, unique design or use of materials.

The reception will be held from 4-6 p.m. at the Riverhouse on the Deschutes. Tickets are \$10 and registration is available online at [coar.com](http://coar.com). The 2017 Building a Better Central Oregon winners are:
